

R. H. MACY & CO.,
SIXTH AV., 13TH TO 14TH ST.

No visit to New York is complete unless it includes a tour of our vast establishment.

Come and see the famous paintings by one of America's most celebrated character artists, Mr. J. G. Brown, and also write your letters in our beautiful and spacious Ladies' Parlor, new building.

Visitors welcome whether they buy or not.

We're not a bit sorry that we told you last Monday about that famous cork-sole shoe at \$7.50. Those who bought it are not sorry either.

To-day we just mention a somewhat stouter cork-sole shoe of excellent calf, lots of wear and goodness in it, \$5. Shape is the well-known Wankenphast.

Wankenphast reminds us of that excellent shoe at \$5.50; also a Wankenphast, but not cork sole; just the thing, we should say, for the average man who expects both wear and comfort from his footgear.
